How do the library's computers and internet access help YOU?

Take this **web survey** and help your library improve its technology services

Your Library wants to know how our patrons use the library's free computers and internet connection so we can make these services better

The more information we collect, the better we can serve our community!

Please take a few minutes right now to help improve public library technology services at your library.The survey is:

1. **Easy**--just click on the survey link from the library website.
2. **Quick**--only 10 - 15 minutes to complete.
3. **Anonymous**--no personally identifiable information is collected.
